Sonora Quest
Laboratories™

A Subsidiary of Laboratory Sciences of Arizona

MAINTAIN YOUR MEMORY & INDEPENDENCE

RestoreU is now offered by your doctor.

uMETHOD's advanced technology analyzes your active risk factors and creates a personalized **RestoreU** care program that includes treatment recommendations in these areas: medications, supplements, lifestyle, and diet.

Getting started is easy. Talk to your doctor today about your memory concerns.

76%

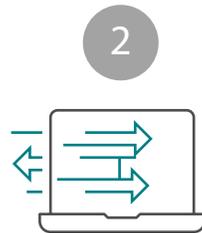

OF PATIENTS ON THE **RestoreU METHOD** HAD THEIR MEMORY **IMPROVE OR HOLD STEADY***

A THREE-STAGE PROCESS

Test

Your healthcare provider checks cognitive function, collects health history, and orders blood tests.

Analyze

uMETHOD analyzes 50+ factors, pinpoints areas of concern, and generates a care program.

Deliver

Your doctor reviews the detailed care program, meets with you to review, and initiates follow-up care as needed.

RestoreU IS A PERSONALIZED APPROACH TO BRAIN HEALTH
