The Board does not verify current specialties. For more information please see the American Board of Medical Specialties website at <http://www.abms.org> to determine if the physician has earned a specialty certification from this private agency.

Board Action

None

A person may obtain additional public records related to any licensee, including dismissed complaints and non-disciplinary actions and orders, by making a written request to the Board. The Arizona Medical Board presents this information as a service to the public. The Board relies upon information provided by licensees to be true and correct, as required by statute. It is an act of unprofessional conduct for a licensee to provide erroneous information to the Board. The Board makes no warranty or guarantee concerning the accuracy or reliability of the content of this website or the content of any other website to which it may link. Assessing accuracy and reliability of the information obtained from this website is solely the responsibility of the user. The Board is not liable for errors or for any damages resulting from the use of the information contained herein.

Please note that some Board Actions may not appear until a few weeks after they are taken, due to appeals, effective dates and other administrative processes.

Board actions taken against physicians in the past 24 months are also available in a chronological list.
